Criteria:

The biennial award consists of a recognition plaque and \$1,000 prize. It recognizes a North Jersey chemist or chemical engineer over fifty years of age, for conspicuous achievements in chemistry, not heretofore recognized by any major scientific awards.

To submit a nomination, print and complete this form and enclose the following:

1. A nomination letter describing the nominee's accomplishments
2. Supporting letters, which can be sent to the address below directly by the referee
3. A copy of the nominee's Curriculum Vitae

Please send completed nomination form and enclosures to the Awards Committee Chair for receipt by **March 15, 2011** to:

Jiwen Chen, Ph.D.
Awards Committee Chair
c/o NJACS
4 Cameron Road
Piscataway, NJ 08854
Email: jchen@njacs.org

Electronic submission of the nomination package is welcomed.
