

# ACS NORTH JERSEY ORGANIC TOPICAL GROUP PRESENTS

## 2024 Award for Creativity in Molecular Design and Synthesis Symposium and Award Ceremony

# CALL FOR

# ABSTRACTS

Graduate students, undergraduate students, and post-docs in chemistry are invited to submit abstracts to be considered for a poster session. The poster session will take place during the symposium's break periods. This is an excellent opportunity to share your research and network with speakers, local academics, and industry leaders.

**Abstract Guidelines:** < 300 words

Please also indicate name, PI, institution, & graduate level.

**Deadline:** September 1st, 2024

**Email to:** joseph.badillo@shu.edu

**Subject line:** NJACS Poster Abstract

**Acceptance date:** September 22nd, 2024

### Speakers

**Prof. Jin-Quan Yu**  
Scripps Research  
2024 Award Recipient

**Prof. Keary Engle**  
Scripps Research

**Dr. Jeremy Richter**  
BMS

**Dr. Dipa Kalyani**  
Merck

**Prof. Ramesh Giri**  
Pennsylvania State University

**Dr. David Weinstein**  
Vividion
