

## Call for Abstracts for the Creativity in Molecular Design and Synthesis Award Symposium Student Research Poster Session.

The ACS North Jersey Section invites graduate and undergraduate students to submit abstracts for the poster session at the Creativity in Molecular Design and Synthesis Award Symposium on December 5, 2014 at Robert Wood Johnson Medical School on Rutgers, Busch Campus. For more details about the symposium go to:

<http://www.njacs.org/events-calendar/acmds-2014>

To present a poster, students should submit an abstract of 150 words.

The format for the abstract should adhere to the following guidelines:

- 1) Use 12 point Times-Roman font with one inch margins.
- 2) The file should be an MS Word document.
- 3) The title should be typed in bold followed by the authors' names (last name first) and affiliations including department name, and email in lower case letters. The advisor's name should be followed by an asterisk (\*).
- 4) Submit the abstract as an attachment no later than November 26, 2014 by e-mail to Monica Sekharan, ACS North Jersey Section Chair, at [monicasekharan@njacs.org](mailto:monicasekharan@njacs.org)
5. Include "Symposium Poster Abstract" in the email subject line
