

ChemExpo 2019

At Liberty Science Center, Jersey City, New Jersey

10:30 am – 3 pm on Saturday, October 19, 2019

Call for High School Students

High School Chemistry Clubs of New Jersey are invited to participate at the exciting, fun-filled celebration of the National Chemistry Week – The 25th *ChemExpo*.

The high school groups are invited to take part in a competition. The high school group who presents the most exciting demonstration and/or hands-on activity pertaining to the theme, “Marvelous Metals”, and provides a clear explanation for the audience will be awarded a certificate and a cash prize. Depending on the number of schools entering and the quality of the presentations, we may add additional prizes.

The judges will use the Evaluation Criteria listed in the document named “*Judging Criteria*”. You may use this document to design your activity. For more information, visit <https://www.njacs.org/national-chemistry-week>. You may present more than one activity however we will judge you on only one activity of your choice.

Please join us as a presenter/contestant to make it an exciting, educational, and fun-filled event. Please register at <http://tiny.cc/NJACSchemeexpo2019> by October 1, 2019.

Sincerely,

ChemExpo 2019 Committee
