Symposium Details

You are cordially invited to the 7th Undergraduate Symposium in the Biological and Chemical Sciences at William Paterson University in Wayne, NJ. The 7th in the series, this annual symposium provides an excellent forum for undergraduate researchers to present their original work at a regional meeting.

Posters are invited in following areas of research.

**Physiology, Cell & Molecular Biology,
Genetics, and Ecology & Evolution**

**Biochemistry, Nano Chemistry, General
Chemistry and Materials Chemistry**

The format of the meeting includes morning poster session, plenary talk followed by afternoon poster session. Posters will be judged by a panel of attending mentors and awards will be presented to the best undergraduate poster presenters. In addition, three names will be drawn from the 1st place awards to receive an additional gift at the conclusion of the awards ceremony. Participant abstracts will be published in a Symposium Proceedings...
